PRODUCT RANGE

Frozen Vegetables

BSDM is known for its compatible and time-saving solutions. Pre-cut frozen vegetables that are easy to cook without any preservatives, or chemical additives are stored and then delivered to our customer with the same rich and divine taste.

Fresh Vegetables

We deliver fresh produce that is clean and ready to be added to your nutritious meals. Fresh vegetables have a wide range of variety that our customers like! From seasonal vegetables to the ones available all around the year, we have got it all for our customers.

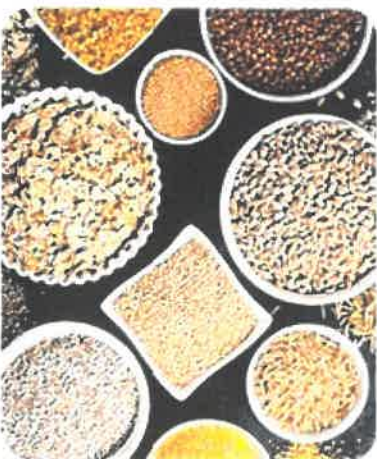

Frozen Meats

Including Kosher Meat, our range includes premium cuts of some of the best in-bred animals. We neatly clean and pack meat so that its succulent flavors stay intact.

Bottled Beverages

Freshly packed juices with rich and amazing flavors that are not only delicious but also a healthy option for you to add to your diet. Find a range of some of the best flavors that include no chemical preservatives.

Bulk Grains

Sieved and cleaned grains available in bulk that deliver a fresh aroma, healthy meals and a delectable taste that you won't soon forget. The grains are packed in larger quantities to be delivered to our clients in the UAE.

Cereals

Intense and rich flavors, our cereals include a diverse range of delicious treats for the kids and adults. We also include nutritious substitutes with oats, fruits and whole wheat.

Icecream

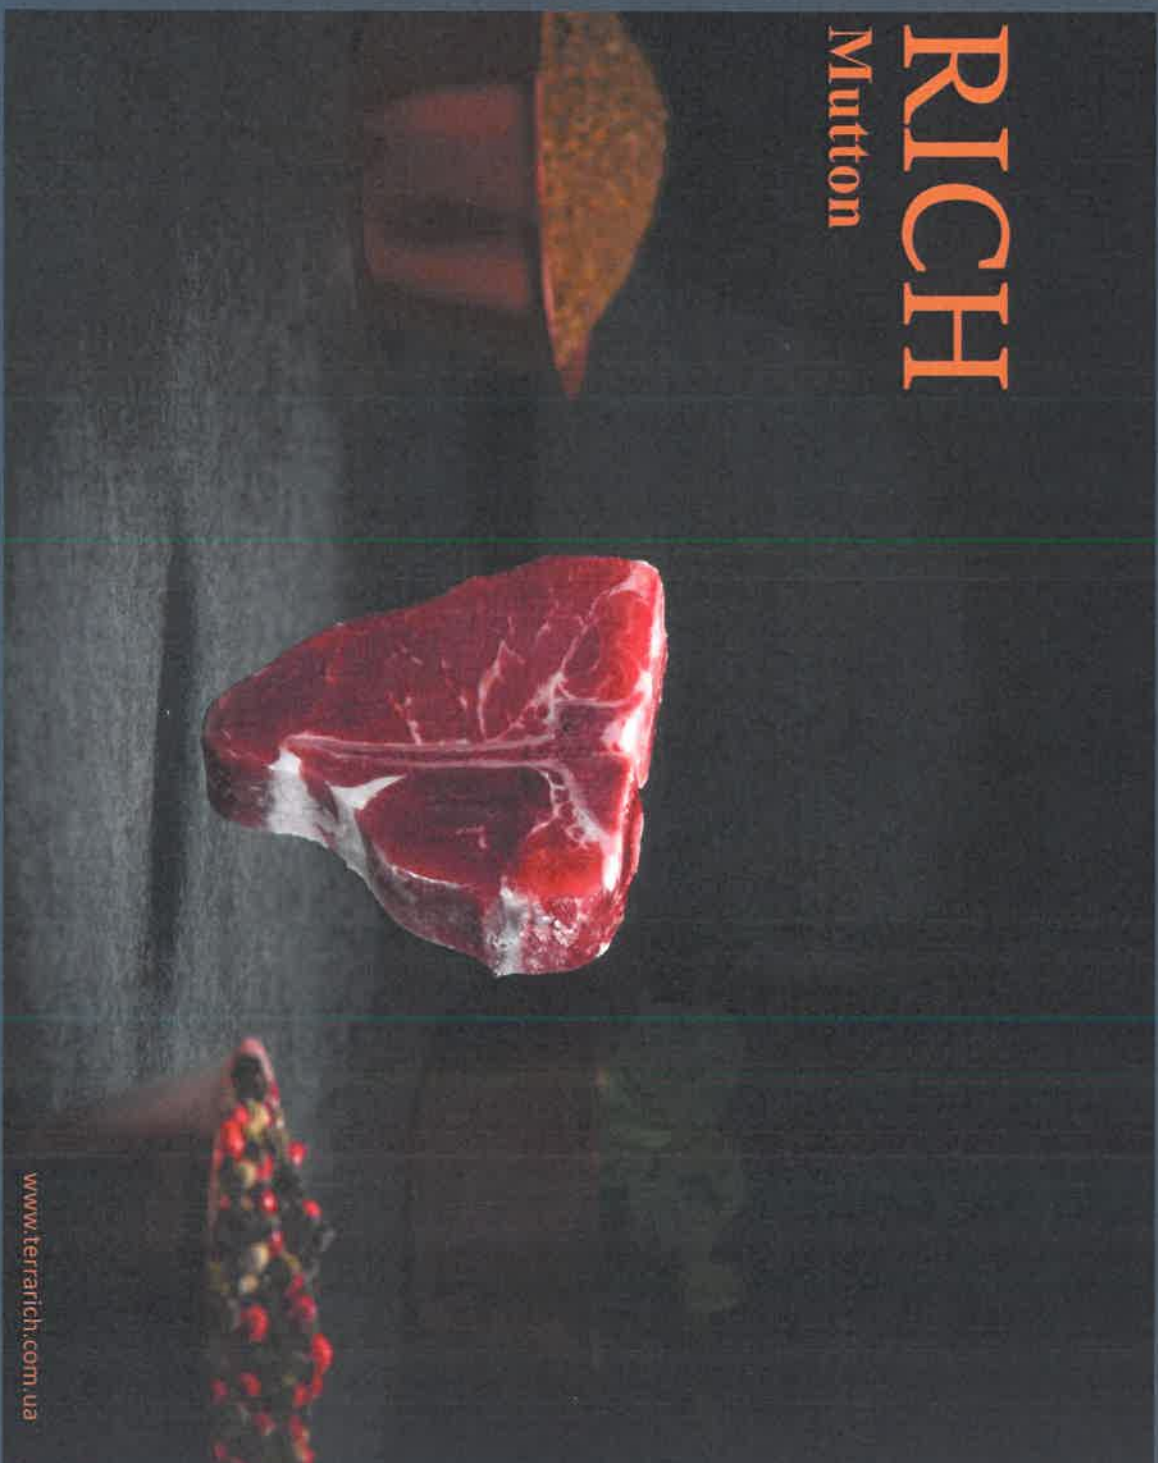

Creamy and flavorful scoops of deliciousness, these ice creams are rich in every way. We make sure that every bite that you take is an intense burst of flavors that you have never tasted before.
